

From the Fall of Babylon into the Millennium

A most spectacular time of transition is upon us. Yet amazingly are missing out on the victorious celebration God is inviting us into. We are close to the “Babylon is fallen!” [Revelation 18:2](#) moment, while a large percentage of the church believes that the Babylon system is just getting started and will soon usher us into “The Great Tribulation”. From where did this doom and gloom perspective arise? Have our beliefs been negatively and intentionally influenced? Is God guiding us to shift our paradigm to align with His plans?

Some today are coming to new ideas of how Babylon is now falling. We’re on this same journey together. Let’s first lay out a few things that may help us in our discovery.

- My goal is not to create a complete scheme of how I believe every prophetic scripture plays out in history. Instead, my focus here is to help us establish the big picture. (Note: when I looked into Post-Millennialism some years ago, I rejected some of its interpretations & conclusions, as I have with most views. For some years I really believed most of the Pre-Millennial timings were soon to commence for rise of the Anti-Christ. For the most part, I tend to enjoy the lessons from history by the Preterist, Spiritualist, and Historicist views, which the Pre-Millennialist view usually greatly overlooks.)

- We HONOR those who have gone before us in the faith: our fathers, mothers, pastors... Across the denominations they had different views [Eph 4:14](#), some of which kept us apart. They poured themselves into the future to give God all the glory. They wanted us to learn from their strengths as well as their weaknesses. They wanted us to grow in Jesus and His Word. Their varying end-time views are summarized in the chart.

Amillennialist	Church Age IS the Millennium
Preterist	All fulfilled by fall of Rome 476 AD
Historicist	Fulfilled in stages 600 BC – 2000+ AD
Spiritualist	Symbolically fulfilled many ways so far
Futurist & Literalist	i.e. Pre-millennial rapture, followed by unbelievers entering Millennial reign of Christ publicly visible on earth.
Post-Millennialist	During the Millennium Christianity takes over the world without a cataclysmic return of Jesus at the end.
Amalgumist	Attempts to blend the best of others

- Let’s recognize that all of us have been indoctrinated in multiple ways, and some of this could be unscriptural. This will prompt greater humility, openness, dialogue, and study.
- Paul, the apostle, said to:
 - “**Test** ALL things...” [1 Thess. 5:21](#)
 - The Bereans of [Acts 17:11](#) were praised because they “**examined** the Scriptures every day to see **if** what Paul said was **true**”.
- How much do we truly test what we are taught?
 - Can we question end-time views? (I once would only be accepted as a member of a church if I signed their statement of faith including pre-millennial rapture teachings.) Can we question other areas that relate to the “Ekklesia” Jesus said He would build?
 - Could it be that we are more prone to trust an “authority” than to do our own examination? If so, why? Is it possible we have not been experientially and sufficiently taught how to study the Bible for ourselves? Or do we also fear the consequences of questioning the teacher?
 - Could we be lacking the motivation to test all things because of an innate sense of fear and shame of how we could be treated as an outsider if we have diverging views?

- We have a great need to stay humble while we sharpen our ability to think outside the box of interpretations handed down to us. Let's continue to search the scriptures and history.

Are You Ready?

I am proposing that God is not wanting us to be fixated on end-times. But rather, to propel us into the excitement of millennial times ahead Jesus has planned for us!

Jesus intends to bring us into full maturity. Yeah! [Ephesians 4:13-16](#)

Babylon Exposed and Judged

There is profound evidence of world-wide events planned to expose evil and take back control into every area of society. Many people are opening up to this realization. True change is under way.

[Revelation 18](#) After these things I saw another angel coming down from heaven, having great authority, and the earth was illuminated with his glory. ² And he cried mightily with a loud voice, saying, "Babylon the great is fallen, is fallen, and has become a dwelling place of demons, a prison for every foul spirit, and a cage for every unclean and hated bird! ³ For all the nations have drunk of the wine of the wrath of her fornication, the kings of the earth have committed fornication with her, and the merchants of the earth have become rich through the abundance of her luxury."

¹⁰ ... "For in one hour your judgment has come. ¹¹ And the merchants of the earth will weep and mourn over her, for no one buys their merchandise anymore: ¹² merchandise of gold and silver, ... **and bodies and souls of men.**"

For the past centuries, evil elites have given top positions of influence only to members of their Luciferian secret society. Their recruits are usually black-mailed into their system via threats and by being filmed in prostitution, child rape, or worse. This way they control the world from within these cultural systems.

Media	Remember the collage of videos of dozens and dozens of mainstream media across our nation broadcasting that what President DJT proposed was a "threat to our democracy". Then we learn that all of them were owned by only 6 companies. We also have seen videos where Congress decades ago asked if there were any CIA doing articles for or employed by the Media.... How much influence does the media have? https://youtu.be/-xVufYXaGg8?si=GbmCzxggfJqVWV_V
Arts & Entertainment	More and more sexual content, witch-craft, and more continues to be pushed in Films and "Entertainment". Actors have revealed they climbed the ladder by selling their souls or doing sexual favors with those at the top. Hefner's Playboy mansion has been exposed to having trafficking tunnels from it to schools and more nearby. Tim Ballard with "Sound of Freedom" said pornography led the way into full blown child rape and murder. He said this is down into every neighborhood! They did a test in small towns to bait predators, and many quickly responded nearby!
Economy	There are many ways to launder funds around the world to support all deep-state agendas; including, siphoning off the tops of birth-certificate bonds after one's death... (search & educate yourself on this)
Education	Where has the largest push for Transgender been besides the media? The schools. Remember John Dewey? He was a communist seeking to progressively destroy our culture and family. How much family-destroying socialist propaganda has gone throughout the universities?
Government	Since 1936 or so, they created Securities off our Birth Certificates that grow exponentially, and when a person dies, they cap it off, and yearly sweep the profits into world-wide use for evil! General Michael Flynn recently (2023) said that many in government and Congress are on the side of evil because in seeking control they fed their own sexual appetites by raping children and thus are black-mailed themselves. Q (2017-2020 Military Intel) said that only a few were not touched by this.

Family	Why so many divorced families? Why so many fatherless children? Why so many families stressed daily to make enough to feed their family? Why all the darkness, unforgiveness, and even hate? Also, true healing our families is in this subject area. Einstein said, "The future of medicine is frequency." Yet, we run to the "Doctors" (of the Rockefeller funded and controlled AMA), taking the pills, and chemo, and vax/jab inducing autism and other adverse events, and we misunderstand and demonize anything in the area of frequency medicine as New Age. Can we learn to distinguish between what's New Age and what's not!?
Religion	Instead of real relationship/friendship with Jesus, there is such a kind of right beliefs and right performance stressed that many young people in Christian families end up leaving and rejecting God. Also, the church has been irrelevant exposing the evil deeds of darkness we are exhorted to in Ephesians 5:11! And the young have missed their exiting God-commission to use their talents to dream and to spread the glory of God into every area via new movies, media/news, education, ... all areas! Sadly also, many of the top religious leaders will turn out to also be prostituting, human-trafficking, and raping children. For some of them, this will be via tunnels even under their church buildings.

Satan has truly had a plan to bring the whole world into greater and greater sin and control. Many are beginning to wake up to it. The problem we face is that we tend to view the Babylon system as something future, where a "Mark of the Beast" will be required. We have not realized Babylon has been around and taking root since ancient Babylon. Then into Rome. Then into Vatican Rome, in conjunction with Luciferian Secret Societies. For centuries they steadily disbursed and shared their world-wide power, until we have a seemingly invisible hand wielding final absolute control. Reading the original unabridged "Foxes Book of Martyrs" along with William Broadbent's "Pilgrim Church" and many other sources gives us clues to the actual nature of Babylon's activities in centuries past. If we can't see that, we at least need to look at the last several hundred years. The following is one place to start:

First go to <https://trance-formation.com/> and provide your email to access the video. Easy & safe.

Next: My wife advised me that some places in maybe videos 2 to 6 videos were sexually graphic, so I haven't watched those. The rest are ok & very eye-opening.

The U.S.A. has a history the deep-state hid from us. For instance, to cover the debt after the Civil War, the Global Bankers financed us after we removed the Sovereign Charter for D.C. and established it as a Corporation Government. Regardless of whether or not that can be fully proven, we do know that our Republic was NOT founded as a Corporation and now it is! See [28 USC 3002 15 A](#)! 15) ““United States” means — A) a Federal corporation;”. Who controls it? Not truly “we the people”! And our tax money is fraudulently taken from us in the guise of law! See the many resources at <https://www.weissparis.com/resource.html> and beyond!

Dr. Jan Halper-Hayes, who President Trump made a part of his Presidential transition team in 2016-2017, has since been a part of a group giving input into the Department of Defense on how to influence awakening among the masses. She has had some information from military and ex-military insider knowledge. She fully believes President Trump when he says “We have it all. We caught them.” NSA & Military Intelligence capture all phone, email, and internet traffic world-wide and from any and every computer they want to. Ex-Military has told us that military survey planes have highly classified capabilities, and that they can fly over an area and pull data from any computer or laptop they so desire, besides charting underground tunnels, and mapping the whole terrain, monitoring movements of people even to capturing through clouds the actual face of a person. Many patriots agree with Trump’s statement of “We will obliterate the deep-state!” Compartmentalized military, behind the scenes, IS doing it’s job. Derek Johnson in <https://thedocuments.info/>, his book “[The Midnight Rider Rides Again](#)”, and via social media accounts (Telegram @rattletrap1776 and Truth Social @derekjohnson) also makes that very clear. He shows what really went on during the 2021 Biden inauguration day [1234](#) where Biden was given a military funeral salute of 3 cannons instead of the 4 cannon Presidential salute all other Presidents in the past received. Why then on that 2021 Inauguration Day [121](#) when the news reporter asked, “Will this be a peaceful transition of power?” [i.e. from President Trump to Biden]... why did the National Guard Commander respond to the contrary by saying, “This will be a transfer to Military power.” Why? Why are there Federal Continuity of Government (C.O.G.) posted by the government? It’s good to study and answers. Derek Johnson has also shown that this “Biden” has, for 3 years in a row into 2024, extended 11 of President Trump’s critical executive orders, especially noting the one combating human-trafficking and those involved in election fraud to the point of seizing the perpetrators assets. Would the REAL Biden ever had extended President Trump’s Executive Orders? No way! Dr. Jan and other ex-Military (like Ricardo Bossi of Australia & Captain Kyle of U.S.A, etc) have said that there are military tribunals going on in some places around the world. Others have also said the same thing at least since 2022. This is MONUMENTAL!!! Of course we don’t know how much more we’ll be told in the future (2025 on out), but **at some point true justice in the punishment for crimes against humanity will become publicly visible to us in some way.**

(One a new separate note, why did the OCC.gov site have a pdf searchable for several years that said, “In preparation for the Global Currency Reset and arrival of the Quantum Financial System currently running

parallel, any international financial activity, regulated by their respective agencies, must strictly comply with no tolerance to all protocol and regulations stipulated in the International Quantum Initiative Act. Passed by the U.S. House of Representatives and approved by the U.N and U.S.M.C.A. (Formerly known as N.A.F.T.A). This means all financial obligations involved in the finalization of this and any other international settlement must be satisfied in full and specifically by the registered beneficiary, in this case being [NAMES REMOVED]". What is that all about?! It's coming and it's going to be very good after and as evil is taken down. ALSO, why did President Trump make available at <https://www.treasurydirect.gov/BC/SBCPrice> (Pick a E or EE bond and enter your 2 digit month and year 12/85 birth year, and SSN or B.C. With dashes) to find the value of Birth Certificates that the deep-state government of the U.S. (and in ALL countries!) took out in our name? What were they used for?)

So, it sounds like sometime in the near future (months, years, or a few decades at most) that we'll be able to look back and know when the obliteration of Babylon culminated and thus that it was no more!

[Rev 18:8](#) Therefore in one day her plagues will overtake her: **death...**

[Rev 18:10](#) For in one hour your **judgment** has come.

[Rev 18:17](#) For in a single hour all this wealth has been **laid waste**.

[Rev 18:19](#) For in a single hour she has been **destroyed**.

Remember President Trump's [Executive Order On Combatting Human Trafficking and Online Child Exploitation in the United States](#) and the other [Executive Order Blocking the Property of Persons Involved in Serious Human Rights Abuse or Corruption](#) work together. Whatever deep-state has in assets (possibly even including the Birth Certificate Securities they have "managed" for their own profit) will be transferred back to "we the people" for good use in one way or another. You've heard it prophesied that "the wealth of the wicked will be transferred to the righteous." These executive orders are a part of that transfer being effected! One day we will be able to look back and see that "In a single hour" the Satanically controlled deep-state world-wide died by suicide, or lost all their power, were tried, convicted, sent to prison or death, and "their" demonically mismanaged assets were seized and returned to good use. That will be a sober day. That will be a glorious day! Jesus will be exalted.

My interpretation of [Revelation 19:11-21](#), is that as Justice convicts the Beast System's deep-state major players with the death sentence and they are killed, Jesus is there in the spirit realm with His host of angels to seize them and throw them into the "[lake of fire burning with brimstone](#)". That is happening today (at least 2017 to 2024 and possibly a some following years depending on the phases plan of the good guys coordinating world-wide military "behind the scenes" biblical take-downs above and below surface!

Scripture Clarifies an Order of Events

The Pre-Millennial Rapture view has thrown confusion into the mix because it says the return of Jesus recorded in Matthew 24, Mark 13, & Luke 21 will occur before the Millennium, but 2 Thessalonians 1:6-10 shows that it can only happen at the end of the Millennium? How so?

[2 Thessalonians 1:6-10](#) ⁶... it is a righteous thing with God to repay with tribulation those who trouble you, ⁷ and to give you who are troubled rest with us when the Lord Jesus is revealed from heaven with His mighty angels, ⁸ in flaming fire taking vengeance on those who do not know God, and on those who do not obey the gospel of our Lord Jesus Christ. ⁹ These shall be punished with everlasting

destruction from the presence of the Lord and from the glory of His power, ¹⁰ when He comes, in that Day, to be glorified in His saints and to be admired among all those who believe, because our testimony among you was believed.

Those who did “not obey the gospel of our Lord Jesus Christ” “shall be punished” WHEN Jesus comes on that Day. The Pre-Millennial Rapture theory is that Jesus returns and raptures us, then at some point later takes out the Anti-Christ and those with him, and allows the rest to go on into the Millennium for a second chance to follow Jesus. BUT, that contradicts the passage above that makes it clear ALL those who didn’t “obey the gospel” will be punished. How many then are left to go into the Millennium? None! So, Jesus’ final return must be at the end of the Millennium. What are the clearest passages on some secret rapture? What CLEAR passages indicate there are two returns or that the one and only one is before the Millennium? There are MANY clear passages about Jesus VERY visible return with the whole earth mourning this (Revelation 1:7). It is always portrayed as the One and Only and Final return of Jesus.

To get around this two separate comings of Jesus are proposed. The first one is hidden, except we see people disappearing, like even Christian airline pilots, causing jet’s full of people to crash. What drama! **Please provide the clearest scriptures on two separate comings?**

Remember how the disciples expected Jesus to physically visibly overcome the Roman armies and reign in Jerusalem? Aren’t we making the SAME mistake to look for Jesus to physically visibly appear and do the same thing near the start of the Millennium? It would seem so. Within the next decades or 100 years or so, if it gets sooooo good so as to fulfill many of the Biblical prophecies for a millennial time, then if Jesus hasn’t appeared as expected, most will then adopt the view that they will see Jesus physically coming in the clouds with power and great glory at the end of the millennium as is clearly stated in Matthew 24, Mark 13, and Luke 24. Then, this Pre-Millennial Rapture theory will be thrown on the scrap heap of history, just like the theory of evolution will also be.

(Another erroneous teaching about [Matthew 24:40-41](#).. **“⁴⁰ Then two men will be in the field: one will be taken and the other left. ⁴¹Two women will be grinding at the mill: one will be taken and the other left. ⁴²Watch therefore, for you do not know what hour your Lord is coming.”** The teaching says that it is the evil people which are taken from the earth prior to Millennium, and that all the righteous are left. Jesus makes clear in the context of that chapter that the “He will send his angels... to gather His chosen ones” [Mt 24:31](#) Who all receive their resurrection bodies at that time as [1 Thess 4:15-17](#) and other passages make clear.)

Jesus’ mega move against evil will be to task an angel to capture Satan – easy peasy!

Rev 20:3 “and he [the angel] cast him [Satan] into the bottomless pit, and shut him up, and set a seal on him, so that he should deceive the nations no more till the thousand years were finished. But after these things he must be released for a little while.”

Yeah!!! Now notice that Jesus doesn’t immediately return after the 1000 years, but gives Satan time to deceive and test the hearts of those alive to reveal which ones are truly following Satan and which are truly following Jesus. No one will know if this is 5 years or 50 years; 7 years or 70 years. No one will have any idea as to the day or hour of Jesus’ final return. Let’s cover more of that in another study to focus on the next verses.

Millennium Begins!

Revelation 20 ⁴ And I saw thrones, and they sat on them, and judgment was committed to them. Then I saw the souls of those who had been beheaded for their witness to Jesus and for the word of God, who had not worshiped the beast or his image, and had not received his mark on their foreheads or on their hands. And they lived and reigned with Christ for a thousand years. ⁵ But the rest of the dead did not live again until the thousand years were finished. This is the first resurrection. ⁶ Blessed and holy is he who has part in the first resurrection. Over such the second death has no power, but they shall be priests of God and of Christ, and shall reign with Him a thousand years.

The text seems to imply that there are thrones that ones sit on, and then there is another group – those who were martyrs – who also sit on thrones. Whether it two groups or just one isn't real clear. Either way, these are in the **“first resurrection”**. Though not absolutely clear, it seems possible that this first resurrection could include ALL those who have passed on in Christ before the Millennium. Let's consider the resurrections that occurred at the time of Jesus death.

Matthew 27 - ⁵⁰ And Jesus cried out again with a loud voice, and yielded up His spirit. ⁵¹ Then, behold, the veil of the temple was torn in two from top to bottom; and the earth quaked, and the rocks were split, ⁵² and the graves were opened; and many bodies of the saints who had fallen asleep were raised; ⁵³ and coming out of the graves after His resurrection, they went into the holy city and appeared to many.

It would seem, that like Jesus, they probably received a new body and could materialize through a wall if desired and appear to family or key people. Maybe Simeon and Anna, who saw the baby Jesus in the temple, came and spoke to Mary and John? Maybe Moses or Isaiah or King David or John the Baptist or other teachers of old received a resurrected body and appeared for a few hours telling many about Jesus, before they walked out the door and disappeared... into heaven. Maybe godly grandparents resurrected. Did everyone in Jerusalem see them? No. Just many. [Matthew 27:53](#)

Likewise, the “first resurrection” of [Revelation 20:6](#) may not be so visible as to see people popping out of the ground, but more as people appearing like Jesus did after His resurrection, coming alongside people on the road or coming through walls. How many in the world would know of this? Everyone? Likely not, but the word would spread among believers!

Like those who resurrected in Jesus' day, these would likely disappear into the eternal realm around us and join Jesus and His angels. No longer would anything be a labor to them, but things that they may have wanted to do on the earth before they passed on, may now be open to them in a different way to minister to us and with us as angels do. Maybe their involvement in earthly affairs during the Millennium will be very active in spurring us on to maturity. May we all become that ripe head of wheat in the End. The Complete Bride of Christ would now be matured TOGETHER and ready for the Marriage Feast in the new heaven and earth to come! After all, the Bride in Heaven of [Revelation 19:7](#) that was there before the Beast and false prophet are taken out, would only have to wait just 1 more day, as 1000 years is only as a day to God ([2 Peter 3:8](#)), to then be united with those who came through the Millennium on that final Day of Christ's return.

[Revelation 20:6](#) says these saints **“shall reign with Him [Christ] a thousand years.”**

The general assumption is that Christ will be continually physically present here on earth, reigning from Jerusalem. Yes, He'll likely be reigning here on earth, but will He be physically visibly present? Remember the disciples of Christ misjudged that once already. Shall we make the same mistake again? Of course I could be wrong. Of course, I'd be happy for Him to be physically present and for us to be able to schedule delegations to go see Him in Jerusalem! But, is that the way it will happen? I'm really suspecting not.

Another reason to dismiss this view is that Jesus, obviously the King of Kings and Lord of Lords with ALL Glory, and Power to accomplish all He did while here on earth, PROVING His identity and more, IF He were to be physically present, would really seem to remove any unbeliever's real ability to exercise their free-will in coming to Him and believing in Him. People would practically be forced to accept Him. Is that the way Jesus wants to operate? Again, I suspect not. Let's see how it turns out. Either way, it WILL be a GLORIOUS time to be alive with and in Him!
